Chinese copy:

- 1- Center bolt different
- 2- Cable of feeding different
- 3- Different color keys and potentiometer volume
- 4- Hole for programming absent
- 5- "MADE IN ITALY" absent in the lower right corner
- 6- Mod. 30/TM can arrive up 8 songs and not more
- 7-8- The screws are smaller
- 9- When you are playing and you change the track always feels a "TACK"
- 10- Mod. 30/tm original is a bit heavier
- 11- The display color is much more red than the original
